Subject: Your requirement of 1 no. 500 kVA DG Set

Dear Sir,

Thank you for your inquiry. In connection with your requirement of DG set we are pleased to inform you that we are in position to manufacture and supply the DG sets meeting your requirement.

We take this opportunity to introduce ourselves as one of the leading OEM of Cummins for manufacturing and supplying Diesel Generating Sets covering a range from 7.5 KVA to 3750 KVA with generation voltage up to 11 KV.

- With a work force of over **1,400 including 300 trained & experienced Sales & Service engineers**, Powerica is well equipped with **20 sales & service branches** and **3 state-of-the-art manufacturing units** (for DTA, EOU & SEZ sectors) across India, to deliver best in quality product and services to all Genset market segments.

Enclosed please find below the following schedules which forms part of our offer:

01	Sale Price Schedule
02	General Terms and Conditions
03	Product Catalogue

We sincerely trust that you will find our proposal in line with your requirement. In case, of any further clarifications or confirmations, please feel free to contact us. We look forward to receive your valued order at the earliest

Thanking You.

Yours faithfully,

For **POWERICA LIMITED**
